INTRODUCTION

GAt Global Happiness foundation, we believe that every stage of life deserve dignity , respect , and quality care. We as an organization are dedicated to providing comprehensive healthcare and support to our elderly community member, we approach care holistically, recognizing that the needs of the elderly go beyond just physical health. our focus extends to fostering a warm and supportive community where senior feel valued, engaged, and respected. We emphasize personalized care, ensuring that each resident receives the attention an assistance they require

VISION

We emphasize not just the provision of care but also the celebration of aging , promoting an environment where seniors are valued and their contributions are recognized .we speak about the holistic approach of supporting their wellbeing , encompassing physical support and social man

ACHIVEMENTS

- Implemented wellness programs that led to a measurable increase in residents' physical health and emotional well-being.
- Established partnerships with local schools and youth organizations, resulting in regular intergenerational activities that enhanced social connections.
- Facilitated on-site health clinics, providing routine check-ups and screenings, which resulted in a 30% increase in health management for chronic conditions agreement

PREVIOUS CAMP

Monthly Camp In Old Age Home

Blood donation camp

Weekly consultation in one rupee for patients with bpl cards

OBJECTIVE

Our objective is to give senior citizens a proper medical backup and prepare their medical record in each and every old age home in India, and provide them care. Because these are most needful persons in our society, they lack family support and because of their age they can't self care. So our plan is to grow pans India and work for them
