## INTRODUCTION

At Global Happiness foundation, we believe that every stage of life deserve dignity, respect, and quality care.

We as

an organization are dedicated to providing comprehensive healthcare and support to our elderly community member, we approach care holistically, recognizing that the needs of the elderly go beyond just physical health.

Our

focus extends to fostering a warm and supportive community where senior feel valued, engaged, and respected. We

emphasize personalized care, ensuring that each resident receives the attention an assistance they require.

## MISSION

Our mission is to enhance the lives of our seniors by offering accessible healthcare services and fostering a nurturing

environment that promotes physical, mental, and emotional wellbeing .promoting skill development and women empower

## VISION

We emphasize not just the provision of care but also the celebration of aging , promoting an environment where seniors are valued and their contributions are recognized .we speak about the holistic approach of supporting their wellbeing , encompassing physical support and social management

## ACHIVEMENTS

- Implemented wellness programs that led to a measurable increase in residents' physical health and emotional wellbeing.

- Established partnerships with local schools and youth organizations, resulting in regular intergenerational activities that

enhanced social connections.

- Facilitated on-site health clinics, providing routine check-ups and screenings, which resulted in a 30% increase in health

management for chronic conditions. amendment by giving necessary training to girls

## PARTNERSHIP

GLOBALHOSPITALGHAZIABAD

## PREVIOUS CAMP

- Monthly Camp In Old Age Home
- Blood donation camp
- Weekly consultation in one rupee for patient with bpl cards
- Food Distribution camp

## OBJECTIVE

Our objective is to give senior citizens a proper medical backup and prepare their medical record in each and every old age home in India, and provide them care. Because these are most needful persons in our society, they lack family support and because of their age they can't self-care. So our plan is to grow pans India and work for them.
